b) Mistakes (for example due to mixing up the numbers when writing them down by hand) are easily avoided

c) Best marking-system for small and medium-large dry-cleaning shops

d) Dry-cleaner has full control of complete order

e) No manipulation possible by dry-cleaner's staff

f) Dry-cleaner's logo imprint reflects an image of the professional level of dry-cleaner's workmanship

g) It is our experience (over the last 50 years) that subsequent orders will automatically be placed with you, and not with any of your competitors

h) You, as the distributor of the combi-cards, make more profit than with other marking-systems
